## THE DAILY ROUND UP.

### THE WIFE.

The little Dreams of Maidenhood—  
I put them all away  
As tenderly as mothers would  
The toys of yesterday,  
When little children grow to men  
Too overwise for play.

The little dreams I put aside—  
I loved them, every one,  
And yet, since moonblown buds must  
hide  
Before the noonday sun,  
I close them wistfully away,  
And give the key to none.

O little Dreams of Maidenhood—  
Lie quietly, nor care  
If some day in the idle mood  
I, searching unaware  
Through some closed corner of my  
heart,  
Should laugh to find you there.  
—Theodosia Garrison, in Harper's  
Bazar.

### MANY TO ATTEND FROM NEW MEXICO.

Spokane, Wash., May 21.—"If we come, you will know we are in town." R. E. Twitchell of Las Vegas, New Mexico, second vice president of the National Irrigation Congress, who was secretary of the board of control of the 16th sessions, says this in a letter to R. Insinger, chairman of the board of control of the 17th sessions, to meet in Spokane August 9 to 14. He adds:

"We are going to do our best to get up a large delegation from New Mexico. Governor Curry has appointed a committee, of which I am a member, and we want to get at the work immediately of ascertaining who will go, and of what sort of a demonstration we will make when we arrive."

Mr. Insinger expressed himself highly gratified with Mr. Twitchell's desire to join heartily in the big work to be accomplished to make the forthcoming sessions the best and most interesting in the history of the organization, saying:

"Arthur Hooker, our secretary, and H. L. Moody, member of our board; L. G. Monroe, secretary of the Spokane chamber of commerce, and others have intimated we shall be going some to make a congress that will eclipse the meeting at Albuquerque, September 29 to October 3, but with the assistance of our friend Twitchell and others like him we shall be able to do much to entertain and interest the delegates and visitors, in a way that will leave little or nothing to be desired."

"We are also looking for a representative delegation from Texas and other states in the Southwest, as well as representatives from every northwestern state and many in the eastern, New England, middle and southern states. There will be at least 20 governors and possibly 30 at Governors' day, arranged for August 13, when Governor Marion E. Hay will welcome the chief executives to discuss various matters of importance to the various states. We would be glad to have Governor Curry with us on this occasion."

"We are glad that New Mexico is coming to visit us, as we then shall have the opportunity to repay the kindnesses shown to our people on their trip through the Territory last summer."

## CHILD ATE AN ENTIRE BOX OF CUTICURA

Spread on Some Crackers—Not the Slightest Injury Resulted from Little Fellow's Escapade—In Most Positive Way Ingredients of

**CUTICURA PROVEN PURE  
SWEET AND HARMLESS**

A New York friend of Cuticura writes the following interesting letter:—"My three year old son and heir, after being put to bed on a trip across the Atlantic, investigated the state-room and located a box of graham crackers and a box of Cuticura Ointment."

"When a search was made for the box, it was found empty and the kid admitted that he had eaten the contents of the entire box spread on the crackers. It cured him of a bad cold and I don't know what else."

No more conclusive evidence than the above could be offered that every ingredient of Cuticura Ointment is absolutely pure, sweet and harmless. If it may be safely eaten by a young child, none but the most beneficial results can be expected to attend its application to even the tenderest skin or youngest infant. This feeling is shared by mothers and nurses to such an extent that Cuticura Soap and Cuticura Ointment have for many years been unhesitatingly used throughout the civilized world for preserving, purifying and beautifying the skin, scalp, hair and hands of infants and children from the hour of birth. And greater still, if possible, is the confidence reposed in Cuticura Remedies for the treatment of torturing and disfiguring humors of the skin and scalp. The suffering which they have thus alleviated among the young and the comfort they have afforded worn-out and worried parents have led to their adoption in countless homes as priceless agents in the speedy, permanent, safe and economical treatment of infantile and birth humors, eczemas, rashes, irritations, inflammations and chaffings, and other itching, scaly and pimply humors when all other remedies suitable for children fail.

Cuticura Remedies are sold throughout the world. Depots: London, 27, Chancery Lane; Paris, 5, Rue de la Paix; Australia, R.
